

MINTO North Tower Neighbourhood Amenities

Energizing, enticing, enviable - Yonge & Eglinton is a TTC hub and the epicentre of midtown's most exciting intersection. The two streets come alive every day with the buzz of popular bistros, the ooh la la of stylish retailers, and the beat of swanky night clubs. The ultra convenience of multiplex cinemas, fine food emporiums and expansive parks only supports the notion that life doesn't get any better than this. Go live it up.
